View School Directories

You can view contact information for staff, parents, and/or students in the school directories.

Important: The school directories you can see are determined by your school administrator.

Follow these steps to access a directory:

1. Login to <https://www.plusportals.com/MIS> for parents and students, an account username is the registered email address. If you don't know your username, contact us at IT@mis.edu.om or call us at 24565550.
2. On the Master menu, click **Directory**.
3. Click the directory you want to view.

Staff Directory

To find a staff member, type their name and click **Search**.
